

Actions have consequences

Everything you do on the network is tracked and monitored. If you misuse the ICT facilities there will be one of the following consequences:

- Temporary removal of access to the internet
- Permanent removal of access to the internet
- Temporary removal of access to the network
- Permanent removal of access to the network
- Withdrawn from ICT & CS lessons
- Parents informed and brought into school

In severe cases:

- The Police notified
- The implementation of legal proceedings

If you have any further questions or you do not understand this document please speak to your ICT teacher or Mr Whitehead before you log onto the network.
