Dear Year 11 Parent and Carers

All year 11 learners have been issued with the following:

1. A list of guidelines for all learners when they sit their GCSE exams.
2. A revised timetable of revision support which will run throughout the entire exam season.

As you can see, we are doing everything we possibly can to support our year 11 learners to achieve the best possible GCSE results. We have revised their timetables to ensure extra revision prior to each exam, put in place early morning revision sessions starting from 7.30am and ensured that we have revision classes in the Spring half term break. This revision programme would not be in place but for the fantastic staff here at Castlebrook, who are willing to come in early, give up their holiday time and really go the extra mile to support our year 11's with their final GCSE studies.

Please can you and your child read this information very carefully. Please ensure that you and your child know exactly which exam they are sitting and when. Please ensure your child arrives for each exam in plenty of time. Unlike mock exams, missed exams cannot be sat at a different time.

Thankyou in advance for your support and may I take this opportunity to wish you and your child all the very best for the future. If you have any questions then please do not hesitate to contact myself or Mr Orrell.

Kind regards,

Mrs S Armstrong
Academy Principal
