

Year 11 FINAL GCSE PREPARATION – REVISION

REMEMBER! IT IS VITAL YOU TURN UP AND SIT EVERY SINGLE EXAMINATION PAPER. ONLY IN VERY VERY EXCEPTIONAL AND VERY VERY RARE CIRCUMSTANCES (I.E. DEATH OF AN IMMEDIATE FAMILY MEMBER/HOSPITALISATION OF LEARNER DUE TO A VERY SERIOUS ILLNESS OR SERIOUS ACCIDENT) will exam boards even begin to consider accepting teachers' estimated grades. So, if you have a cough/cold/stomach ache/toothache/twisted ankle/bad night's sleep for example on the day of an exam, YOU MUST STILL TURN UP ON TIME! This is the way exam boards operate and I'm afraid there is no way we can get round these very strict rules, rules which apply to all learners across the country.

- Full school uniform **MUST** be worn for all GCSE examinations.
- Exams must be written in a black pen.
- Remember to bring all your equipment in a clear plastic bag. No planner/notes in your blazer pockets.
- Remember your calculator for the exams where you need them, e.g. Science, Maths Paper 2 & 3. No calculator covers are to be taken into the gym.
- Remember to remove all labels on water bottles before entering the gym.
- Mobile Phones/Smartwatches can be left at home or turned off before entering the gym. These will then be collected in
- This booklet contains all the revision classes, specifically timetabled to best prepare you for your examinations. **They are highlighted in yellow.** All classes will take place in the member of staffs teaching room unless otherwise instructed.
